Are you a student looking to broaden your horizons and gain international experience?

Then our Student Mobility Program in Finland is for you!

Embark on a five-day journey into the heart of the Finnish education system with our Student Mobility Program. For just 350€ per participant, we're offering a unique opportunity to immerse yourself in Finnish classes and culture. At our student mobility programme, we don't just offer the chance to attend Finnish classes; we provide a unique experience that helps students improve their intercultural skills while forming lifelong bonds with Finnish peers. As a participant, you will dive deep into the academic world and gain an unparalleled understanding of Finnish school culture. Our caring team will coordinate the logistics of your trip, taking care of finding the perfect Finnish school and ensuring a smooth journey. We strive to create a group spirit that fosters lifelong memories and opens new horizons for everyone involved!

What We Offer:

- A carefully selected Finnish host school
- Five enriching days at school, learning alongside Finnish peers
- An authentic "Learn like a Finn" experience
- All this for just 350€/participant

Please note that meals, transportation, and extra visits or activities are not included in the program fee. However, we are more than happy to work with you to create a customized program that fits your specific requirements.
