# CUSTOMIZED TOURS SMALL GROUPS

## OBJECTIVE AND FOCUS

The purpose of this study tour is to share and learn together with Finnish educators about the Finnish education and schooling system, as well as the key aspects that have led Finland to reach globally acknowledged educational success. The main interest is in the daily education practice.

Our educational expert will host the group during the whole program and act as the facilitator in all meetings. All school visits include classroom visits and discussions with the principal or deputy principal, teachers and students. Transportation in the expert's own or rental car.

### STUDY TOURS FOR SMALL GROUPS

The selection of themes

Your study tour can have a special focus on some of the following themes:

- Special education and pupil/student welfare and support
- Environmental studies/natural sciences and sustainability
- Working Life and Entrepreneurship
- Bilingual education
- ICT learning
- Extra theme

Include in your program a visit to Tallinn, Estonia – the leading country in ICT teaching and usage. The price for visiting Tallinn is calculated separately.

**WELCOME  
TO FINLAND!**
